

The Xerox XXXX

Its name is the Xerox. It has a long purple horn, a long green tail, a big nose and a small hump.

The Xerox is enormous and monstrous.

It lives in the Amazon forest in

Brazil. It is sanguivorous because

it drinks blood. It can stay under

water and it can also tell the

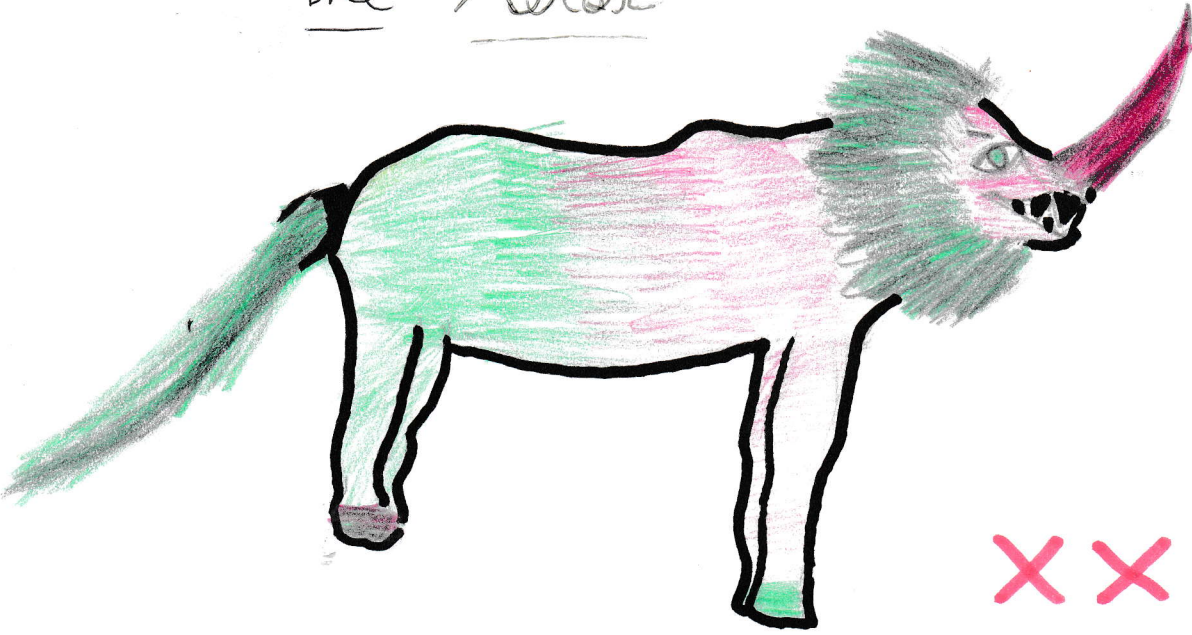

future. It is less smart than the

Niffler and more aggressive than the

Nunde. It is very dangerous because

extremely protective and aggressive.

The Xerose
