

## THE RUGER (+++)

Its name is the Ruger.

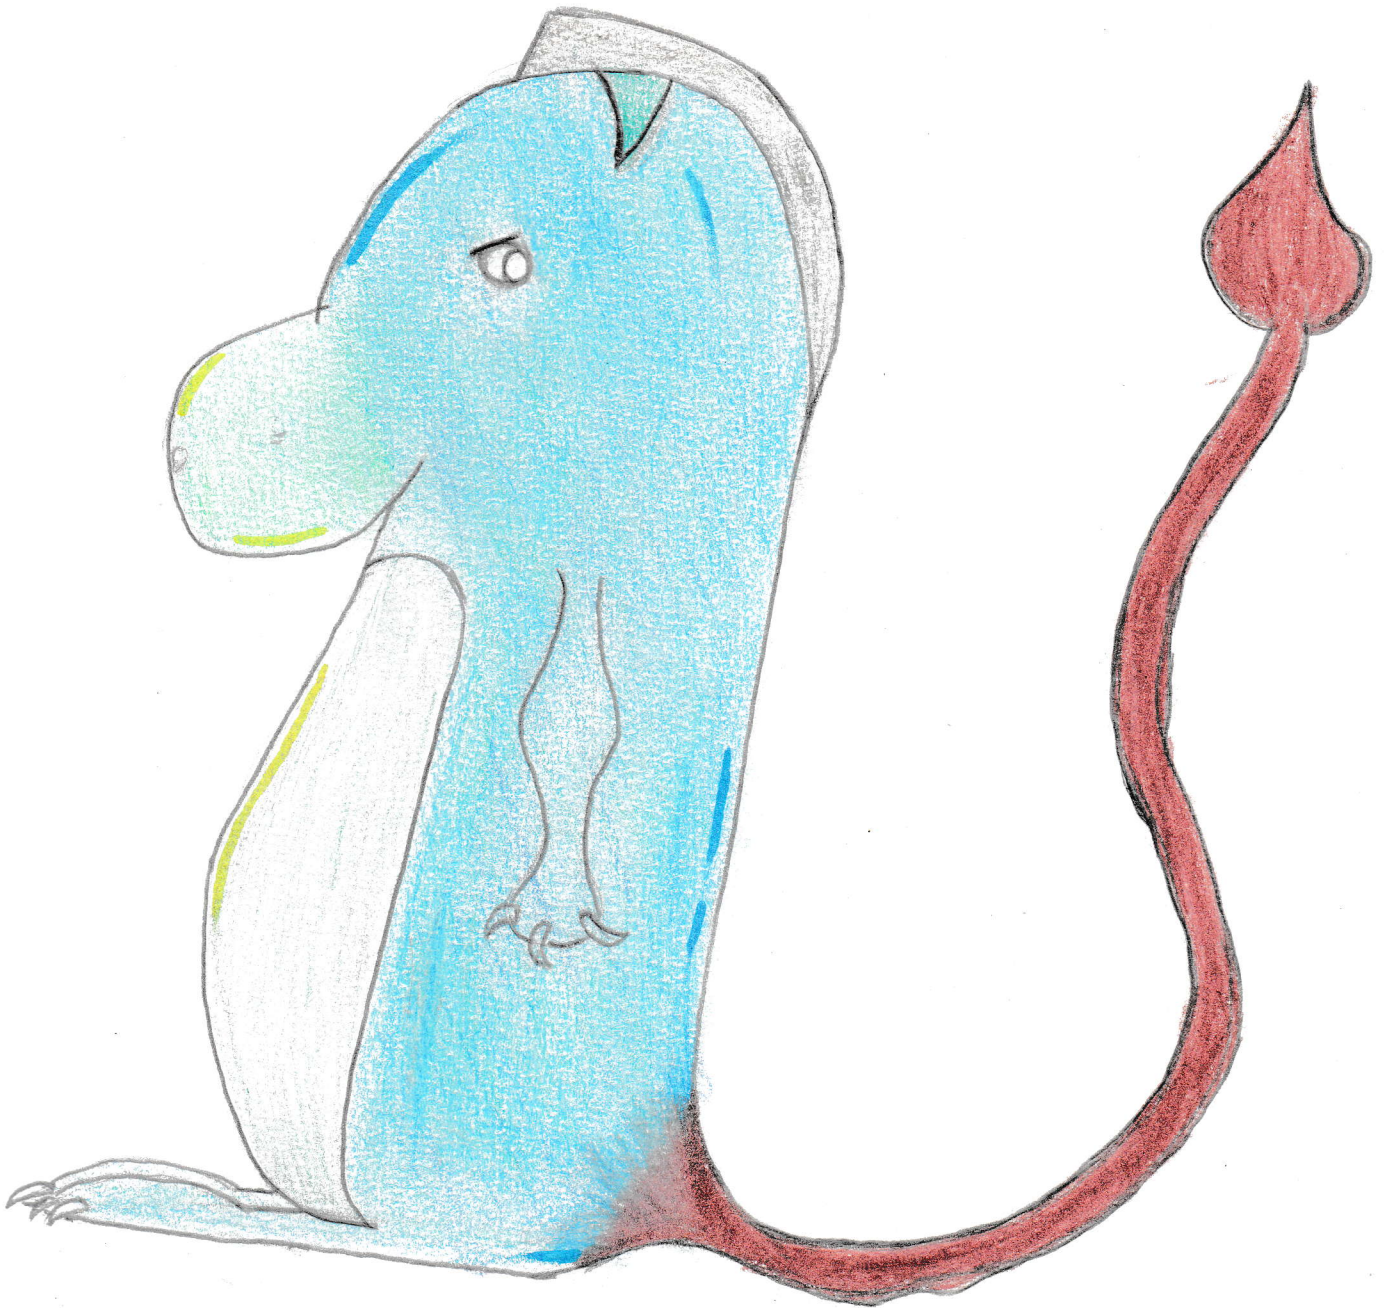

It has powerful claws, a thick mane, a long tail and sharp teeth. It is quite small. Its tail is brown and its mane is grey. It lives in the swamps in Italy.

It is carnivorous because it eats meat.

It can paralyse its prey, and it can gnaw a tree with its sharp teeth. It

is taller than the *Acromantula* and stronger than the *Erumpent*. It is very dangerous,

because it has venom that comes out of its mouth when it feels in danger.
