

THE PEUFXX:

Its name is the Peuf.

It is quite small.

It has a pouch on its belly, a flat beak and big wings.

It has blue wings and green eyes.

It lives in swamps in Europe.

It is insectivorous because it eats insects.

It can become invisible and it can teleport.

It is less dangerous than the Murtlap because

it is a little shy and it is more dangerous

than the Graphorn because it is more intelligent.
