

Valentine's Day is celebrated in the U.K, in Canada and in the USA. People offer cards to the people they love ( friends, family , employers, teachers ...)

In New York City, there are heart-shaped lights on the Empire State Building. There are fireworks too.

The shops are decorated with white, pink and red hearts and balloons. There are sculptures in the city.

People love offering cakes, chocolate, flowers and small gifts for Valentine's Day.

In New York city , in Central park , there is a competition of ice sculptures on the theme of love .

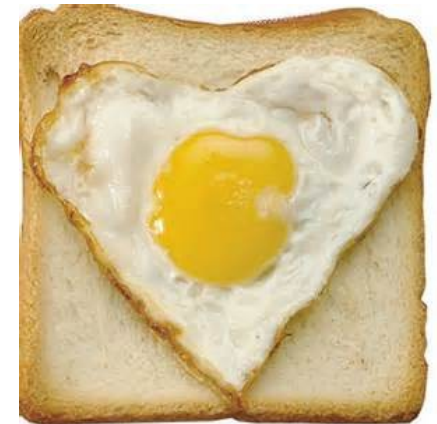

American people love inviting their friends and family for Valentine's Day dinner parties.

Heart-shaped food !

At school, students make cards for their friends and teachers. They put them in a special letter box.

# Happy Valentines Day

To one of my  
very best friends
