By Kiara—Lucie—Paola

Once upon a time, a poor girl lived in a cave.

One day, a fairy met the poor girl and gave her a map. She managed to find the final point: a pond. But Nessie, a monster, was in the pond. It was big and green. It looked very scary.

Nevertheless, she discovered the treasure. In it, there was a wand. This wand was very rare and powerful. So, she took the wand and said:

« Princess magic, give me a prince! »

And, she transformed herself into a magical princess. Nessie who was watching said:

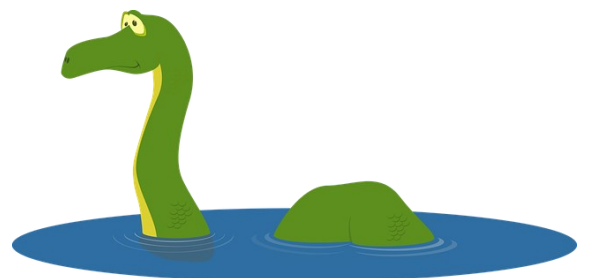

« Oh! You are so beautiful. »

And the princess answered:

« Nessie, Nessie, from now on you are a beautiful prince. »

Then, Nessie transformed itself into a handsome prince.

They got married and they lived happily ever after.
